**RE: Endorsement of Korey A. Marable BZA Application for 4672 A Street SE Square 5349, Lot 0030, Zone R-2 – Application for Special Exception**

Dear Chairperson Hill and Members of the Board:

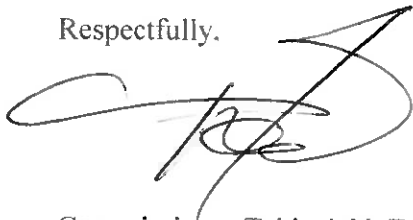

On behalf of the Advisory Neighborhood Commission Single Member District 7E04, this letter serves as our support of Mr. Korey Marable's residential remodel and extension.

Mr. Marable informed Commissioner Tate, about the intention of his expansion, an expansion of approximately 10 feet. Over the course of our conversation, we learned that Mr. Marable has lended his talent and protection to the residents of the District for over 5 years with the Metropolitan Police Department. As a former resident of Cleveland, Ohio, Officer Marable now calls the District of Columbia home.

Korey's intention to extend his home to meet the needs of his desire of expanding his family over the coming years aligns with the vision of this ANC office. Our vision to build a community with wholesome families while maintaining the integrity of the 7E district continue is paramount. Additionally, Mr. Marable's overall plan does not negatively impact any of the neighboring properties or the enjoyment of his soon to be neighbors. The ANC welcomes the addition of this officer to its diverse and growing population. I am open to further discussion of this endorsement and respectfully requests this board's approval of Mr. Marable's DCRA Special Exceptions application.

Thank you in advance for your consideration.

Respectfully,

Commissioner Takiyah N. Tate, 7E04
