STATEMENT OF INTENDED USE

Re: 7521 9th Street NW (Square 2961 Lot 0018)

The property of reference which is the subject of an application for special exception relief before the Board of Zoning Adjustment is currently improved with a one-family dwelling semi-detached structure or building.

The applicant proposes to rehabilitate the existing building and construct a third floor and rear addition which will extend the existing building footprint.

The use of the subject property will continue to be a single-family semi-detached dwelling.

Respectfully
