I HEREBY CERTIFY that a copy of the Notice of Intent to File a Zoning Application for the Further Processing of the 2017-2036 Campus Plan for Georgetown University was mailed to Advisory Neighborhood Commission (“ANC”) 2E, ANC 3D, the Citizens Association of Georgetown, the Bureleith Citizens Association, the Foxhall Community Citizens Associations, and to the owners of all property within 200 feet of the perimeter of the Property on July, 26, 2016, as required by the Zoning regulations of the District of Columbia, 11 DCMR (Zoning), Subtitle Z, Section 302.6. A copy of the notice is attached.

Pursuant to Subtitle Z, Section 302.8, the Further Processing Application was presented to Georgetown Community Partnership (“GCP”). The GCP was established in 2012 to facilitate consensus-based decision making among University Administrators, students, and members of the surrounding residential communities through a collaborative and consensus-driven process. The GCP is led by a Steering Committee composed of representatives from ANC2E, ANC3D, the Citizens Association of Georgetown, the Burleith Citizens Association, the Foxhall Community Citizens Association, Georgetown University, and the Georgetown University Student Association. A representative from MedStar Georgetown University Hospital is an ex-officio member of the Steering Committee. The GCP voted to support the application. During the development of the Further Processing Application, the applicant also met with and continues to meet with the Office of Planning and District Department of Transportation regarding the application. The Application was also presented to the Old Georgetown Board for review and comment.
