Re: Case #ZC 02-17 (Stonebridge Associates)

Ms Mitten:

This letter is to register my objection to the rezoning of the Washington Clinic/Lisner Site. I have lived at 4124 Garrison St. NW, Washington, DC., since 1979, and believe this planned development is excessive and harmful to the area. Traffic & Parking in this area is already saturated and spilling over to our neighborhood. Ample housing more condusive to the character of the neighborhood can and must be explored. Thank you for hearing my objection to this matter.

Very Truly yours,

Joseph N. Curtin
