Dear Ms. Mitten

I write in intense opposition to the development of a highrise at the property near the Washington Clinic. While I do not live in the immediate neighborhood, I write to urge the Zoning Commission to stay with the zoning now in place--zoning which helps preserve a neighborhood of families, single-family dwellings--where there is still parking, where there is not a large amount of traffic, not even on 42nd street where I live.

Thank you.

Sincerely,

Melinda Beard
