Re: Case ZC #02-17

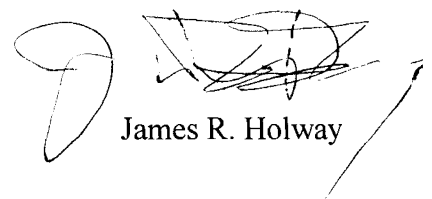

Dear Chairman Mitten:

We believe the building proposed by Stonebridge is far too large for the neighborhood. It will exacerbate the already terrible traffic and parking problems of the Wisconsin Avenue-Military Road-Western Avenue intersection. The current zoning, which permits ample housing to take advantage of the proximity of Metro and the Friendship bus terminal, should be maintained. Using the current zoning may improve our neighborhood without ruining it's character.

Please deny the change in zoning requested by Stonebridge.

Sincerely yours,

Nancy T. Holway

James R. Holway
