Dear Ms. Mitten:

Stonebridge Associates(Case # ZC02-17) would like to have the zoning changed so that they can build an enormous building at Military Road and Western Avenue. The property is very close to a residential area.

This area is already congested with commuter traffic that relies on neighborhood parking daily. Friendship Heights has been a haven from the pace of downtown Washington -- for Washingtonians and tourists alike. Further building and commercialism would detract from its charm, convenience, and appeal.

Please consider this aspect of our concerns for our city and our neighborhood before taking any serious action. We appreciate your attention to this matter.

Sincerely,

Harrison D. Miller
