Re: Tiber Island's Objection – Waterside Mall
Modification to First-Stage PUD Approval and Application for Second-Stage PUD
Zoning Commission Case No. 02-38A

Dear Members of the Commission,

As the ANC Commissioner for SMD-01 and the lead ANC representative at the June 14th, 2007 public hearing, I would like to submit a letter of support for the counsel of the Tiber Island Cooperative Homes, Inc. ("Tiber Island"). It is the view of Tiber Island and ANC 6D that we were denied the opportunity to cross-examine the Applicant's witness, Shalom Baranes, after the final rebuttal testimony.

As a party to the proceedings, I would attest to the fact that both myself and counsel from Tiber Island attempted to get the attention of the Chair but were unsuccessful before adjournment. Given that the ANC and Tiber Island were not allowed to question the final witness, I would ask that the Zoning Commission convene a special public hearing to accommodate this additional cross-examination.

I thank you for your consideration and look forward to your reply.

Respectfully,

Max Skolnik
Commissioner, ANC 6D01
