**Re: Letter of Support for District of Columbia Housing Authority Modification Request
of Planned Unit Development Case 03-12E/03-13E and Case 03-12O/03-13O**

Dear Chairman Hood:

We are in receipt of a copy of the District of Columbia Housing Authority's application to the Zoning Commission for a minor modification to the Arthur Capper/Carrollsborg HOPE VI Planned Unit Development Case 03-12E/03-13E and Case 03-12O/03-13O. We would like to provide our support for their request to continue the use of the temporary parking lots on Square 767 Lots 44-47, Square 768 Lots 19-22 and Square 882S Lot 77 until April 1, 2023. These parking lots help alleviate the heavy parking demand during baseball games.

Capper Carrollsborg Venture also waives its right to a 30-day review period of the subject application.

Thank you for your consideration of this letter.

Very truly yours,
