Re: Zoning Commission Case No. 04-14B: Complete Set of Plans

Dear Chairperson Hood and Members of the Commission:

Pursuant to its authority under Section 3024.5, the Applicant asks the Commission to accept the enclosed full set of plans into the record for Case No. 04-14B. The Applicant was not able to complete duplication of the plans prior to the deadline on October 15, 2012, when it submitted its post-hearing submission.

The enclosed plans include the revisions that were filed with the Commission yesterday; otherwise, they are the same as the plans presented at the public hearing. The Applicant wanted to consolidate the plans into a single exhibit in the record for ease of reference in the draft order.

Please feel free to contact either of the undersigned should you have any questions.

Sincerely,

  
Allison C. Prince
