OP also recommended that the Commission set down alternate text to be considered as part of the same case. On July 13, 2015, the Commission set down the petition and alternate OP text amendments for a public hearing.

- (g)(f) Will not have more than thirty percent (30%) of its gross floor area occupied by inclusionary units that satisfy the set-aside requirement of other properties, including the property that is the subject of the Board of Zoning Adjustment application; and
- (h)(g) Has not utilized bonus density beyond that provided by § 2604.1.

2607.3 **All dwelling units as are required to be reserved in the off-site development shall be deemed inclusionary units for the purposes of this chapter and the Act.**

2607.5 ~~No order granting~~ **The off-site compliance shall become effective not relieve an inclusionary development of its entire set-aside requirement until a covenant, found legally sufficient by the Office of the Attorney General, has been recorded in the land records of the District of Columbia between the owner of the off-site development and the Mayor. A draft covenant, executed by the owner of the offsite property, shall be attached to an application for relief under this section.**

2607.7 **Upon the recordation of the covenant, the set-aside requirements permitted to be accounted off-site shall be deemed to be the legal obligation of the current and future owners of the off-site development. ~~All dwelling units as are required to be reserved in the off site development in accordance with the BZA order shall be deemed inclusionary units for the purposes of this Chapter and the Act.~~**

**3. Amendments proposed by OP pertaining to Filing Fees.**

**3040 FILING FEES**

**3040.7 No fee shall be charged for applications pursuant to § 2606.3.**
