**Re: Case No. 06-22
D.C. Baseball Stadium**

RECEIVED
DC OFFICE OF ZONING
2006 JUN 29 PM 4 34

Dear Chairperson Mitten and Members of the Commission:

Advisory Neighborhood Commission 6D, at its regularly scheduled June 12, 2006 meeting, at which a quorum was present, (with 4 of 7 commissioners necessary for a quorum), voted 7-0 to oppose the above-referenced application for zoning approval for the new baseball stadium

The Commission particularly opposed the placement of parking structures above ground, the absence of any environmental plan, and the continuing lack of a traffic plan and a pedestrian plan that include the surrounding community. We will expand on these issues in our testimony at the Zoning Commission hearing on June 26th.

We hope that you will give our Commission's view great weight as you consider this project

Sincerely,

Andy Litsky
Chairman
