

**JONATHAN FITCH ASLA, PRINCIPAL**

**EDUCATION**

Master of Landscape Architecture, University of Michigan, 1977  
Design Studies in the School of Architecture, Washington University, 1974

**EXPERIENCE**

Mr. Fitch has extensive experience in the urban design, master planning, landscape architecture, management and implementation of a broad range of projects nationwide and in Europe. He has designed landscapes for urban squares and streetscapes and downtown master plans, urban and suburban housing projects, major office developments, large recreation plans and small parks.

In addition, Mr. Fitch has been active in design education. He taught in Harvard University's Graduate School of Design for three years and served on the faculty of the School of Architecture at Howard University for five years. He has also taught at the Rhode Island School of Design, the University of California at Los Angeles, the Catholic University of America and the University of Maryland.

Over the past twenty five years, Mr. Fitch has directed the design for and managed, among many others, the following significant projects:
