MEMORADUM

TO: Zoning Commission

FROM: Jennifer Steingasser, Deputy Director *JS*
Office of Planning

DATE: July 3, 2007

SUBJECT: July 19, 2007 Public hearing on Georgia Avenue Overlay –
Request for Postponement; Case No. 06-48

A request to postpone the July 19, 2007 public hearing on the Georgia Avenue Overlay was filed by Councilman Graham. The correspondence requested that the public hearing be postponed until October to allow further work with the community. OP has no objection to the postponement and supports additional coordination of the overlay with the community.

The Zoning Commission set the case down for hearing at the December 11, 2006 meeting. The overlay was proposed to implement objectives of the Georgia Avenue – Petworth Metro Station Area and Corridor Plan, which was approved by the City Council on July 7, 2006 and serves as additional guidance to the Comprehensive Plan. Because the proposed overlay creates the most restrictive zoning, postponement of the hearing will not interfere with the purpose of the proposal or the Corridor Plan.
