Washington, DC 20001

Dear DC Zoning Commission Members:

I write to offer support for the DC Office of Planning's proposed text and map amendments for a Georgia Avenue Commercial Overlay District.

My support is based on the belief that such an overlay district will improve the residential and commercial uses along Georgia Avenue, provide common design standards for the corridor, and set standards for development review that makes sense for our neighborhood now and in years to come.

Please enter my support for the overlay district into the official record of the Georgia Avenue Overlay Hearing on October 25, 2007 - 6:30 PM.

Thank you for your attention to this important matter to the residents of our neighborhoods and the residents of the District of Columbia.

Sincerely,

Renee A. Leduc Clarke
