RECEIVED

Dear Zoning Commission:

I am Lisa Eady, former ANC Commissioner of ANC1A. I am asking the DC Zoning Commission to approve the Georgia Avenue Commercial Overlay District.

While serving as the ANC Commissioner for Single Member District 1A09, I attended numerous meetings with the DC Department of Planning and The DC Department of Transportation.

These meetings were held get feedback from residents in reference to improving the streetscape and bringing small business ventures to mid Georgia Avenue.

I, along with other ANC1A Commissioners worked hard to insure that residents have some input into the types of businesses that locate and relocate to Georgia Avenue.

I think the Georgia Avenue Overlay is the vehicle that will provide residents with that opportunity. I again, ask the Zoning Commission to vote yes on the Georgia Avenue Overlay District.

Sincerely,

**Lisa Eady
