Subject: Georgia Avenue Commercial Overlay District

Date: October 18, 2007

I, Carolyn Moore, am asking that the DC Zoning Commission approve the Georgia Avenue Commercial Overlay District as requested by the DC Office of Planning.

I have lived in the Georgia Avenue Park Road Corridor for the past 30 years. I have lived through the bad times and now I would like to live through the "good times".

It is my observation that the District of Columbia Government, thanks to Councilman Jim Graham, is finally giving some serious consideration to the revitalization of Georgia Avenue. Georgia Avenue does not need large overpowering structures.

It is my belief that the Georgia Avenue Commercial Overlay could be used to maintain the current small town character of the surrounding neighborhood.

I implore members of the DC Zoning Commission to vote yes on the Georgia Avenue Commercial District Overlay.

Sincerely,

Carolyn Moore
