Dear Zoning Commission,

I want to express my strong support for the Georgia Avenue Commercial Overlay and urge you to approve it. I believe it will allow smart, community supported development along our corridor. I have attended a number of community meetings about this and have read the entire GACO document and agree will all elements. I am especially pleased with restrictions on fast food, auto-related businesses, pawn shops, and liquor stores. I also like how it encourages more commercial activity and building standards and size limits for developments on the corridor.

Again, I hope you support the Georgia Avenue Commercial Overlay in its current form.

Thank you,

Jason Berry
