

Proposed Comprehensive Plan Policy Map

Main Street Mixed Use Corridors

Traditional commercial business corridors with a concentration of older storefronts along the street. The service area for Main Streets can vary from one neighborhood (e.g., 14th Street Heights or Barracks Row) to multiple neighborhoods (e.g., Dupont Circle, H Street, or Adams Morgan). Their common feature is that they have a pedestrian-oriented environment with traditional storefronts. Many have upper story residential or office uses. Conservation and enhancement of these corridors is desired to foster economic and housing opportunities and serve neighborhood needs. Any development or redevelopment that occurs should support transit use and enhance the pedestrian environment.
