Dear Board Members,

At its regularly scheduled and properly noticed meeting on May 08, 2007, with a quorum present, ANC 6B voted unanimously (10-0) to support the adoption of this text amendment and encourages the Zoning Administrator to specify where the parking structures would be placed on the property, instead of such a broad/open based opinion and that the parking lots would be temporary until the parcels can be developed in accordance with the Master Development Plan.

Please notify the Commission if you have any questions or comments.

Yours truly,

Julie Olson
Chairperson
