Re: Letter of Support for Z.C. Case No. 07-18F
PUD Modification of Consequence
1000 F Street, NW (Square 347, Lot 23)

Dear Members of the Zoning Commission:

On July 9, 2019, at the regularly scheduled, duly noticed public meeting of ANC 2C, with a quorum of 3 of 3 commissioners present, the above-referenced matter came before us.

At that meeting, Drew Turner on behalf of the Applicant described the proposed modification to install two new rows of windows on the third and fourth floors of the south façade of the existing building approved as a PUD pursuant to Z.C. Order No. 07-18. Based on the presentation and the materials submitted to the case record, the ANC understands that no changes to the uses within the building are proposed, and that the new windows will not create any privacy concerns for adjacent buildings or uses.

Therefore, ANC 2C voted 3-0-0 to support the Applicant's Modification of Consequence application to install new windows on the existing building.

Thank you for giving great weight to the recommendation of the ANC.

On behalf of ANC 2C,

Kevin Wilsey
ANC 2C Chairman
