ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF FINAL RULEMAKING

AND

Z.C. ORDER NO. 08-06P

Z.C. Case No. 08-06P

(Text Amendment – 11 DCMR)

(Minor Modification to Z.C. Order 08-06A to Clarify Language, Make Language Consistent Within Existing Text and Between Subtitles and Chapters, and Correct Typographical Errors and Number Citations)

September 17, 2018

The Zoning Commission for the District of Columbia (Commission), pursuant to its authority under § 1 of the Zoning Act of 1938, approved June 20, 1938 (52 Stat. 797), as amended; D.C. Official Code § 6-641.01 (2012 Rep1.)), hereby gives notice of its adoption of amendments to Subtitle C (General Rules), Subtitle J (Production, Distribution, and Repair (PDR) Zones), Subtitle K (Special Purpose Zones), Subtitle U (Use Permissions), Subtitle X (General Procedures) and Subtitle Y (Board of Zoning Adjustment Rules of Practice and Procedure) of Title 11 (Zoning Regulations of 2016) of the District of Columbia Municipal Regulations (DCMR) to make minor modifications to amendments made by Z.C. Order No. 08-06A (Order). The Order, which took the form of a Notice of Final Rulemaking, adopted comprehensive amendments to the Zoning Regulations that became effective on September 6, 2016.

Generally, the minor modifications clarify language, make language consistent within existing text and between subtitles and chapters, correct spelling and typographical errors, and correct number citations to make references consistent throughout the regulations. The only minor modification of a more substantive nature is the clarification language for Subtitle X § 303.2. The current text of that provision could be read as permitting the aggregation of floor are ratio (FAR) within a PUD site only if multiple zones were included. The new language aligns with the corresponding provision in the Zoning Regulations of 1958, which allowed FAR to be aggregated across a PUD site, but indicated how to compute the FAR if more than was zone was included.

A Notice of Proposed Rulemaking was published in the *D.C. Register* on August 3, 2018, at 65 DCR 008045. In response the Commission received no comments.

The Commission therefore took final action at a public meeting on September 17, 2018 to adopt the amendments as proposed.

The amendments shall become effective upon publication of this notice in the *D.C. Register*.
