**THIS CASE IS OF INTEREST TO ANCS 2C & 6C**

On July 1, 2019, the Office of Zoning received an application (the “Application”) from Capitol Crossing IV, LLC (the “Applicant”) requesting approval of a modification of significance to a previously approved first-stage planned unit development (the “08-34 PUD”) to add “lodging” and “education, college/university” uses to the already approved office and retail uses in the commercial building on Lot 861 (part of Record Lot 50) in Square 566 (the “Property”).

The Property is bounded by 2<sup>nd</sup> Street, N.W., on the east, the extension of F Street, N.W., on the south, and private property on the west and north. The Property is part of the larger Capitol Crossing project being developed above the Center Leg Freeway. The Property is currently zoned C-4 through a previously approved map amendment for the 08-34 PUD. The Property is located in Wards 2 and 6 and is within the boundaries of Advisory Neighborhood Commissions (“ANCs”) 2C and ANC 6C, which are the “affected ANCs” per Subtitle Z §101.8 of Title 11 DCMR (the “Zoning Regulations,” to which all references herein are made unless otherwise specified).

The Office of Planning submitted a report dated July 19, 2019 recommending that the Commission set down the Application. At its July 29, 2019, public meeting, the Commission voted to set down the application for a public hearing. The Applicant provided its prehearing statement on July 30, 2019.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Commission’s Rules of Practice and Procedure, Chapter 4 of Subtitle Z.
