

# MATTHIAS HOLLWICH

## Principal

Matthias Hollwich, SBA is a registered European Architect who has established himself at the forefront of a new generation of groundbreaking international architects. Matthias believes the key to successful architecture lies in finding new and exciting ways to create dialogue and relationships between people and buildings. He was recently honored in Fast Company's ranking of the world's top 10 most innovative architects. Matthias has spoken regularly at events such as TED and PICNIC and has taught at the University of Pennsylvania.
