Re: ZC Case No. 13-08A - CityPartners 5914, LLC (the "Applicant") – Request for Additional Time to Provide Response to Opposition from the Office of the Attorney General

Dear Chairperson Hood:

On July 1, 2019, the Applicant received a request for a waiver to accept into the record a letter in opposition to ZC Case No. 13-08A from the Office of the Attorney General. The Applicant subsequently received, on July 2, 2019, confirmation from the Office of Zoning that the waiver was granted and the letter in opposition to the application was accepted into the record of this case. The Applicant has reviewed the Office of the Attorney General's submission and has determined that it needs more time in which to adequately and thoroughly address the statements and accusations that are made in that filing.

The Applicant hereby requests that it be allowed until July 19, 2019 to submit a response to the July 1, 2019, letter from the Office of the Attorney General. Granting such a request is appropriate given the significant amount of time that the Office of the Attorney General used to prepare its response to the Applicant's time extension application (31 days), the 4th of July holiday that fell shortly after the letter was accepted, and the serious nature of the accusations made by the Office of the Attorney General against Mr. Griffis.

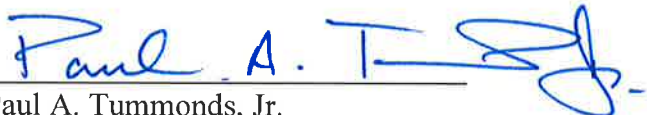

Please feel free to contact the undersigned if you have any questions regarding this request.

Respectfully Submitted,

Paul A. Tummonds, Jr.
