Re: Corruption and bribery – ANC 5C – McMillan Development

Dear Mr. Gray:

I am a newly elected commissioner on ANC 5C and we are being bombarded and even bullied to take a vote on the McMillan development plan by MVP, in particular EYA. We have been offered gifts of money, meals and ball game tickets, etc. They have approached us with offers to help us in “anything.”

Several commissioners have accepted these “gifts” and are pushing the other commissioners to hurry up and vote on the plan. This is corruption and it comes at a time when the city is already under scrutiny. I understand that McMillan has been a long time in the making, but it is not fair that we are being pushed to the point of being bullied to hurry up and vote of this.

We are asking for help in this matter.

Bests,

Commissioner \_\_\_\_\_ (prefer to remain anonymous at this time.)
