Anthony Hood

Chairman

DC Zoning Commission

Subject: Approve the VMP PUD!

Dear Chairman Hood:

I am writing to express my support for approval of Vision McMillan Partner's (VMP) plans for the former McMillan Sand Filtration Plant.

As a resident of Petworth, I want to see development there that local residents can enjoy and benefit from and be proud of. VMP plans would do just that, bringing both beauty and function to the now-derelict site.

I join many in this community in asking for the support of the Zoning Commission on this issue and I am grateful for your thoughtful review and often-thankless work to bring meaningful and sustainable development to the District.

Thank you.

Sincerely,
