FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 13-14 (Vision McMillan Partners LLC and the District of Columbia – First Stage and Consolidated PUD and Related Map Amendment @ 2501 First Street, N.W. (Square 3128, Lot 800))

THIS CASE IS OF INTEREST TO ANC 5E, 5A and 1B

On November 22, 2013, the Office of Zoning received an application from Vision McMillan Partners, LLC, on behalf of the District of Columbia through the Deputy Mayor for Planning and Economic Development, the owner of the property listed above (collectively, the "Applicant"). The Applicant is requesting the review and approval of a first-stage and consolidated planned unit development ("PUD") and related map amendment to rezone the property from unzoned¹ to the CR and C-3-C Zone Districts. The first-stage approval is for the master plan of the McMillan Site (the "Stage 1 Master Plan"), and includes the development parameters for the entire PUD site, which is comprised of Parcels 1, 2, 3, 4, 5, and 6. The consolidated approval applies to portions of the PUD known as Parcels 1, 4, 5, and 6. The Office of Planning provided its report on January 17, 2014, and the case was set down for a hearing on January 27, 2014. The Applicant provided its prehearing statement on February 18, 2014.

The overall site has approximately 1,075,356 square feet (24.69 acres) of land area. The Applicant proposes to build a mixed-use, mixed-income urban development project for the adaptive reuse of the McMillan site. The overall project will have density of approximately 1.91 FAR, as permitted under the CR and C-3-C PUD requirements, and will include approximately 94,170 square feet of gross floor area devoted to retail uses; 923,730 square feet of gross floor area devoted to residential uses; 1,030,000 square feet of gross floor area devoted to healthcare facilities; 17,500 square feet of gross floor area devoted to a community center; and approximately 444,056 square feet of public open space. The PUD site is organized into three land areas that are separated by two historic service courts running in an east-west direction (the "North Service Court" and the "South Service Court").

¹ The official Office of Zoning Map shows the site as being in the R-5-B Zone District. However, the Office of Zoning has confirmed that there is no record of the property being rezoned since the transfer of the property from the Federal government and therefore the map is in error.
