

Zoning Commissioners,

As I'm sure you are aware, the DC Auditor wrote a letter to the Council saying that the McMillan PUD and disposition is fundamentally flawed:

In advance of tonight's hearing, I ask that you delay any more decisions on McMillan until the DC Auditor's letter is responded to by the Applicant with a meaningful competition for the vertical development, as not only stated in the RFP for McMillan but also within DC law as it pertains to the disposition of public land.
