To whom it may concern:

My name is Michael Coghill, my wife Rhonda Coghill and I reside at 2506 14th st N.E.apt 2. I would like to let Brooklyn Manor Management know we are grandparents, of 2 youths whom we are raising. With that being said, we truly need no less than a 3 bedroom. My wife and I dont feel safe on the promise that we will be one of the first residents to recieve a 3 bedroom unit, because no one can give us anything in writing. Also having a certificate form housing is not a guarentee that you will get a place. We have been looking for 2 years, but everytime we think we may get approved we keep getting shot down due to people that are not on section 8, and can pay twice the amount. I just dont want my family to wake up one day with less then a month to move out of the blue and end up homeless. We also dont want to be forced into living in Maryland. Both my wife and I have health issues, we are senior citizens just trying to take care of our family. It would be such an incovience to have to transfer all of our information out to Maryland, we run the risk of losing alot, from our health coverage to our doctors. Thank you for your time.
