Re: Z.C. Case No. 14-18A (Mid-City Financial Corporation, *et al.* – Second-Stage PUD and Modification to First-Stage PUD @ Square 3953, Lots 1, 2, and 3)

Dear ANC Chairs & ANC/SMD Commissioners:

Pursuant to D.C. Official Code § 1-309.10(b), the Zoning Commission for the District of Columbia hereby gives you notice of the receipt of an application from Mid-City Financial Corporation, Brentwood Associates, LP, and MCF Brentwood SC, LLC (collectively, the "Applicant") for approval of a second-stage planned unit development ("PUD") and modification to the previously approved first-stage PUD for property located in the northeast quadrant of the District on a site bounded by Saratoga Avenue (north), Brentwood Road (west), 14th Street (east), and a public alley (west), also known as Square 3953, Lots 1, 2, and 3. Please note that this case was filed electronically through the Interactive Zoning Information System ("IZIS"). You can access and file your report for this case through IZIS at http://app.dcoz.dc.gov.

Pursuant to Subtitle Z § 400.7, the ANC has the opportunity to file the attached Form 130 - ANC Setdown Report to provide feedback on whether or not the Zoning Commission should set down the case for public hearing. You have 30 days to file the ANC Setdown Form from the date the application was referred (Subtitle Z § 400.8).

Further, you will also receive notice of the hearing date at least 40 calendar days in advance. Pursuant to Subtitle Z § 406.3, if your ANC wishes to participate in the hearing, then its written report must be received at least seven days in advance of the public hearing. The report must contain the information required by Subtitle Z § 406.2, which is included at the bottom of this letter. That information is also included in Form 129 – Advisory Neighborhood Commission (ANC) Report, which is attached for your convenience and is the preferred mechanism to complete your report. Any written report received prior to the date of a Commission meeting to consider final action will be given "great weight."

Pursuant to D.C. Official Code § 1-309.10(d)(2), the Zoning Commission must wait 30 days, excluding Saturdays, Sundays, and holidays before it can make its decision on this application. However, as a practical matter, the Commission cannot make a decision that soon, because it must first hold a public hearing and, for those cases that require proposed action to be taken, the National Capitol Planning Commission is thereafter given thirty days to review the application.

Great weight does not mean that the Zoning Commission must defer to an ANC's view, but instead requires acknowledgement of the ANC as the source of the recommendations and explicit reference to each of the ANC's issues and concerns. It is therefore important that the written report not only indicate whether the source of t

ANC supports or opposes the application, but that it also identify each issue and concern that led to the recommendation made.

If your ANC has not received a courtesy copy of the application from the Applicant, please notify us so we can assist you in obtaining a copy. If you have any questions, please do not hesitate to contact me at (202) 727-6311.

Sincerely,

rhellen

Sharon S. Schellin Secretary to the Zoning Commission Attachment

Subtitle Z § 406.2

- 406.2 The Commission shall give "great weight" to the written report of the ANC, pursuant to § 3 of the Comprehensive Advisory Neighborhood Commissions Reform Amendment Act of 2000, as amended, that is received at any time prior to the date of a Commission meeting to consider final action including any continuation thereof on the application. All written reports shall contain the following:
 - (a) The case name and number;
 - (b) The date the public meeting of the ANC to consider the application occurred;
 - (c) A statement that proper notice of that public meeting was given by the ANC;
 - (d) The number of members of the ANC that constitute a quorum and the number of members present at the public meeting;
 - (e) The issues and concerns of the ANC about the application, as related to the standards against which the application shall be judged;
 - (f) The recommendation, if any, of the ANC as to the disposition of the application;
 - (g) The outcome of the vote on the motion to adopt the report to the Commission;
 - (h) The name of the person who is authorized by the ANC to present the report; and

ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA NOTICE OF FILING Z.C. Case No. 14-18A

(Mid-City Financial Corporation, *et al.* – Second-Stage PUD and Modification to Previously Approved First-Stage PUD @ Square 3953, Lots 1, 2, and 3) September 28, 2016

THIS CASE IS OF INTEREST TO ANCs 5C and 5B

On September 22, 2016, the Office of Zoning received an application Mid-City Financial Corporation, Brentwood Associates, LP, and MCF Brentwood SC, LLC (collectively, the "Applicant") for approval of a second-stage planned unit development ("PUD") and modification to the previously approved first-stage PUD for the above-referenced property.

The property that is the subject of this application consists of Lots 1, 2, and 3 in Square 1043 in northeast Washington, D.C. (Ward 5), on a site that is bounded by Saratoga Avenue (north), Brentwood Road (west), 14th Street (east), and a public alley (west). The property is currently zoned, through a PUD-related map amendment, RA-2 (the underlying zone is RA-1).

The property that is the subject of this case is one block (Block 7) of a larger PUD. Block 7 was originally approved to include: 1) 28 two-over-two units; and 2) a five-story building with up to 286 units, 150-200 of which comprised a senior housing component. The proposed modification would include: 1) a four-story apartment building containing 131 units with associated ground-floor amenity space and 68 below-grade parking spaces; and 2) a four-story residential building containing approximately 200 seniorsonly independent living units with associated ground-floor amenity space and 50 belowgrade parking spaces. The proposed modification changes the two-over-two units to a traditional apartment building, which will now house the senior units and reduces the five-story building to four stories.

This case was filed electronically through the Interactive Zoning Information System ("IZIS"), which can be accessed through <u>http://dcoz.dc.gov</u>. For additional information, please contact Sharon S. Schellin, Secretary to the Zoning Commission at (202) 727-6311.
