MEMORANDUM

TO: Sara Bardin
Director, Office of Zoning

FROM: Jamie Henson
Systems Planning Manager

DATE: February 13, 2017

SUBJECT: ZC Case No. 14-18A – Brookland Manor, Block 7

Following comments on the initially submitted Comprehensive Transportation Review (CTR) for the subject zoning case, an updated CTR was not submitted to DDOT until February 10, 2017. To give adequate time for full review, and to allow DDOT to provide a complete and thorough report prior to the hearing, DDOT requests a waiver from the 10-day District agency filing date and would expect to submit a report by February 17.
