Chairman Anthony Hood D.C. Zoning Commission 441 4th Street, N.W., Suite 210 Washington, DC 20001

Re: Z.C. Case No. 15-12 – Applicant's Final Public Benefits and Conditions

Dear Chairperson Hood and Members of the Commission:

Pursuant to the requirements in Sections 2403.16 - 2403.18, this letter is the response to OAG's response to the Applicant's February 11, 2016 letter regarding public benefits and project amenities being proffered by the Applicant and the draft conditions that are both specific and enforceable. Below is a chart of the proffered benefits and amenities, and the revised proposed conditions.

Proffered Benefit	Proposed Condition
Housing and affordable housing	4. <u>The Applicant shall devote 8% of the</u> residential gross floor area to affordable <u>Inclusionary Zoning units</u> . The unit mix and income distribution shall be consistent with that shown in Exhibit of the Record.
Urban design, architecture, and landscaping	1. The Project shall be developed in accordance with the plans marked as Exhibits 9A, 16B, and of the Record, as modified by guidelines, conditions, and standards herein (collectively, the "Plans").
Site planning, and efficient and economical land utilization	1. The Project shall be developed in

	accordance with the plans marked as Exhibits 9A, 16B, and of the Record, as modified by guidelines, conditions, and standards herein (collectively, the "Plans").
Environmental benefits	 The Project shall be developed in accordance with the plans marked as Exhibits 9A, 16B, and of the Record, as modified by guidelines, conditions, and standards herein (collectively, the "Plans").
	5. The Project shall be designed to satisfy a LEED Gold rating. However, the Applicant shall not be required to obtain LEED Gold certification from the United States Green Building Council. <u>Prior to the issuance of a</u> <u>certificate of occupancy, the</u> <u>Applicant shall submit to the Zoning</u> <u>Administrator a LEED scorecard</u> <u>showing the points that the Project</u> <u>will receive.</u>
Effective and safe vehicular and pedestrian access, transportation management measures, connections to public transit service, and other measures.	 7. The Applicant shall establish a transportation demand management (TDM) program that includes the following: a. The Project will provide 218 bicycle parking spaces. This includes 198 secure onsite spaces and 20 short-term spaces around the perimeter. The Project also will include a bike service area and a shower/changing area. b. The Applicant will unbundle the cost of residential parking from the cost of lease or purchase. c. The Applicant will identify a TDM Leader (for planning, construction, and operations). The TDM Leader will work with residents in the building to distribute and market various transportation alternatives and options. d. The Applicant will provide TDM materials

	to new residents in the Residential Welcome
	Package materials.
	e. The Applicant will install a Transportation
	Information Center Display (electronic screen)
	within the residential lobby, containing
	real-time information related to local
	transportation alternatives.
	f. The Applicant will provide each unit's
	incoming residents for the first three years with
	either; (1) one-year membership to Capital
	Bikeshare, or; (2) one-year membership to a
	Carsharing service.
	g. Retail tenants of the development will offer
	SmartBenefits for all retail employees
	regardless of the size of the business (under 20
	employees) or level of employment
	(part-time/full-time)
	h. The Applicant will provide access to bike
	showers, changing area, and bike repair station
	for retail employees.
