To Whom It May Concern:

This is to express our continued support for the concept plan of the new soccer stadium and the community benefits anticipated through the Community Benefits Agreement (CBA) between DC United, ANC 6D and the Near SE/SW Community Benefits Coordinating Council (CBCC). We look forward to the opening of the stadium and to sharing in the enhancement to our community and the City that the stadium will bring. We also look forward to the benefits around jobs, summer camp and other youth soccer training, and use of the stadium during the season and for other community events, which the CBA enumerates. And we look forward to work on the Enforcement Committee to ensure the successful implementation of these community benefits.

Questions and concerns regarding specific project proposals and approvals will be addressed separately as they emerge. We hope that DC United with ANC 6D and the Zoning Commission will develop a strategy that respects the needs of the surrounding neighborhood and ensures that the impact to residents is properly handled.

Sincerely,

Kenneth LaCruise, Chair
