| City | Facilities | Shared Parking | Total Estimated Shared Parking Spaces | Distance to Public Transportation | Agreement Details | Notes |
|--------------|---|--------------------------------|--|--|---|-----------------|
| Kansas City | Kauffman Stadium | Surface Lots | 19,000 | N/A | Royals receive scheduling priority over Chiefs (based on MLB vs NFL negotiations) For non-gameday events, the sports complex authority maintains a master scheduling document to try to prevent events on same day; no priority for one venue over the other Information flow between teams to try to avoid scheduling issues is key. Sports authority serves a key role in ensuring both teams are communicating Parking is sufficient to accomodate events at same time as one another when unavoidable | Bus routes only |
| Minnesota | Target Center Target Field | Garage Parking | 7,000 | Light rail station within 0.6 miles of both venues | | |
| New Orleans | Mercedes-Benz Superdome Smoothie King Center | Surface Lots Garage Parking | 7,000 | Amtrak station within 0.6 miles of both venues | | |
| Oakland | Oakland-Alameda County Coliseum Oracle Arena | Surface Lots | 10,000 | Subway station within 0.5 miles of both venues | The Coliseum receives scheduling priority over Oracle Arena. If games occur on the same day the Coliseum receives priority | |
| Philadelphia | Lincoln Financial Field Wells Fargo Center Citizens Bank Park | Surface Lots | 22,000 | Subway station within 0.7 miles of all three venues | Avoiding scheduling conflicts is difficult w/ 4 teams playing in 3 venues sharing parking. Lots are designated for each of three venues to allow for parking for multiple events | |
| Phoenix | Talking Stick Resort Arena Chase Field | Surface Lots Garage Parking | 2,150 | Light rail station within 0.2 miles of both venues | | |
| Pittsburgh | Heinz Field PNC Park | Surface Lots Garage Parking | 6,187 | Metro stop within 0.2 miles of both stadiums | | |
| Seattle | CenturyLink Field | Garage Parking | 4,000 | Train station within 0.6 miles of both | | |
