Re: Z.C. Case No. 16-02 – Applicant’s Request to Re-Open Record

Dear Chairman Hood and Members of the Commission:

At the public meeting for the above-referenced case on February 16, 2017, the Commission voted to approve the application. However, during the deliberations, members of the Commission made comments about the language in the Applicant’s proposed Findings of Fact and Conclusions of Law (“Proposed Order”). The Commission also expressed a desire for the Applicant to revise the Proposed Order to incorporate their deliberations.

Accordingly, the Applicant requests that the Commission re-open the record to allow the Applicant to submit a revised Proposed Order that reflects the Commission’s comments and deliberations at the February 16, 2017 public meeting.

If you have any questions, please feel free to contact us.

Sincerely,
