Re: **Case No. 16-02A – Applicant’s Proposed Condition for Modification of Consequence**

Dear Chairman Hood and Members of the Commission:

DC Stadium LLC, the applicant in the above-referenced case, attended ANC 6D’s November 19 meeting. At that meeting, the ANC voted to support the modification request, provided that the Applicant commit that the screening would be only as indicated in the application and would not contain any advertising or lettering. The Applicant agreed to that commitment. Accordingly, the Applicant proposes the following condition of approval:

*The screening shall be the material (or one substantially similar) indicated in Exhibit 2E in the record and black in color, and it shall not contain any lettering or advertising.*

The Applicant looks forward to the Commission’s consideration of this request at the December 17 public meeting.

Please feel free to contact me if you have any questions in the meantime.

Sincerely,

/s/  
Cary R. Kadlecek
