RE: ZC 16-02A, Modification of Consequence for DC Stadium, LLC

Dear Chairman Hood and Members of the Commission:

At a regularly scheduled and properly noticed public meeting on November 19, 2018, 2018 with a quorum being present, a quorum being 4 Commissioners, Advisory Neighborhood Commission (ANC) 6D voted 5-1-0 for the motion to support DC Stadium LLC's ("the Applicant") proposed condition for Modification of Consequence, as outlined in ZC Case No. 16-02A.

While the ANC is not especially enthusiastic about the black screening that the Applicant has used to replace the original perforated metal screening, the ANC recognizes that original material did not sufficiently obscure the mechanical equipment and that the new material needs to be of a similar weight and impact to the structure. Accordingly, the ANC supports the black screening described in the modification request and is currently installed on the stadium.

In addition, the ANC recognizes the Applicant's commitment (as referenced in its letter dated 21 November 2018) to accommodate the ANC's requirement that the screening not contain any advertising or lettering.

Should you have any questions, please contact me at 6D07@anc.dc.gov or 202-750-0295.

Sincerely,

Meredith Fascett
