Re: Zoning Commission Case No. 16-09: Request to Waive 30 Day Requirement for Transportation Analysis

Dear Chairperson Hood and Members of the Commission:

The Applicant seeks a waiver from Section 501.4 of Subtitle Z, which requires the Applicant to file the transportation analysis with the Commission 30 days prior to the hearing. The Applicant filed the transportation analysis with its supplemental submission, which was filed 20 days prior to the hearing. Nevertheless, the analysis was initially sent to DDOT on September 19, which was 45 days prior to the hearing. As a result of subsequent conversations with DDOT, the report was updated and resubmitted to DDOT on October 14. The Applicant has been in constant communication with DDOT regarding this application and the changes made to the original report were done in response to questions raised by DDOT.

Sincerely,

Allison C. Prince
