Hello DC Zoning Commission,

I oppose replacing Bruce Monroe Community Park with a 9-story tower. (Case 16-11)

The city's new Comprehensive Plan requires a thorough impact assessment -- ensuring that negative impacts on neighborhoods, transportation, environmental quality, and other issues are assessed and adequately mitigated. The DC Appeals court made clear this was not thoroughly done.

I walk through the park every day with my dog. It's a green space where I have met many neighbors, taken dance classes, and taken my nephew to play in the playground.

Sincerely,
Claudia Mendez
