Hello,

I'm a homeowner on the 700 block of Irving St NW and President of the 737 Irving St Condominium Association.

We do not support any development that reduces Bruce Monroe park. This park is used daily by the neighborhood, DPR, and the Columbia Heights/Park View greater community. Usage has greatly increased during the pandemic.

Outside space is more important than ever for our community to safely gather, play, maintain fitness, and learn.

Additionally, DC doesn't need more luxury housing. We need housing that is affordable for the natives and long standing residents.

Finally, this block already has a high level of traffic due to bus routes, ambulances, commuters, and hospital staff. Further traffic will continue to deteriorate the road and add to already high noise levels.
