Dear DC Zoning Commission:

I'm writing to express my strong opposition to the development of the Bruce Monroe Community Park.

While I recognize the need for affordable housing in DC, there are numerous other avenues for providing housing to the underserved without needlessly destroying our park.

If you walk through BMCP on any given day you will find a melting pot of neighbors all enjoying the amenities that our park has to offer. It is used by people of all colors, ages and socioeconomic backgrounds.

We don't need a new nine story condo here, we need to preserve and protect our green spaces for the use of our citizens.
