**RE: MedStar Georgetown University Hospital Application for Further Processing
Regarding the Medical / Surgical Pavilion (ZC #16-18A)**

Dear Chairman Hood and Members of the Commission,

On May 30, 2017 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by six commissioners, constituting a quorum. At this meeting, the ANC was pleased to hear from Michael Sachtleben, President of MedStar Georgetown University Hospital, and Regina Woods, Vice President for Government Affairs for MedStar Georgetown University Hospital, regarding the hospital's Zoning Commission application for further processing of the 2017-2036 Campus Plan for Georgetown University. The ANC recognizes that this application relates to the proposed construction of a new medical / surgical pavilion on the hospital's property.

MedStar Georgetown University Hospital's application was warmly received by the commissioners and the community at the ANC's meeting. ANC 2E therefore reaffirms the resolution adopted by the ANC on August 29, 2016, which stated the ANC's support for the hospital's application. The resolution is attached to this letter.

ANC 2E thanks the Zoning Commission for its consideration of MedStar Georgetown University Hospital's application for further processing of a campus plan.

Respectfully submitted,

Joe Gibbons
Chair, ANC 2E

**RE: MedStar Georgetown University Hospital Application for Further Processing
Regarding the Medical / Surgical Pavilion (ZC #16-18A)**

Dear Chairman Hood and Members of the Commission,

On August 29, 2016 ANC 2E held its regularly scheduled public meeting, which was properly noticed and attended by seven commissioners, constituting a quorum. At this meeting the Commission adopted the following resolution by a vote of (7-0-0) with regard to the above-referenced matter:

ANC 2E supports the application as prepared for filing by MedStar Georgetown University Hospital (the “Hospital”) for further processing relating to the proposed updates to the current Hospital and other improvements to the on-campus area adjacent to the Hospital in the northern part of the University’s campus.

We believe the plans for a modern medical facility on the site are welcome and appropriate and that the community’s interests in traffic reduction and in a green and attractive space at the northern end of the campus are advanced by MedStar’s proposal. We agree also that because these plans are integrated so closely into the overall 2017-2036 Campus Plan proposal and it appears that the plans will not be controversial, it would make sense in this case to waive the rule against simultaneously filing a campus plan and an application for further processing.

COMMISSIONERS:

Ed Solomon, District 1 Joe Gibbons, District 2 Rick Murphy, District 3
Mara Goldman, District 4 Lisa Palmer, District 5 Jim Wilcox, District 6
Monica Roaché, District 7 Zac Schroepfer, District 8

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Joe Gibbons", with a long horizontal flourish extending to the right.

Joe Gibbons
