Re: Z.C. Case No. 16-23 (Valor Development, LLC – Voluntary Design Review @ Square 1499, Lots 802, 803, and 807)

Dear ANC Chair & ANC/SMD Commissioner:

Please find attached the public hearing notice for the above referenced project. Pursuant to Subtitle Z § 406.3, if your ANC wishes to participate in the hearing, then its written report must be received at least seven days in advance of the public hearing. The report must contain the information required by Subtitle Z § 406.2, which is included at the bottom of this letter. That information is also included in Form 129 – Advisory Neighborhood Commission (ANC) Report, which is attached for your convenience and is the preferred mechanism to complete your report. Any written report received prior to the date of a Commission meeting to consider final action will be given “great weight.”

Pursuant to D.C. Official Code § 1-309.10(d)(2), the Zoning Commission must wait 30 days, excluding Saturdays, Sundays, and holidays before it can make its decision on this application.

Great weight does not mean that the Zoning Commission must defer to an ANC’s view, but instead requires acknowledgement of the ANC as the source of the recommendations and explicit reference to each of the ANC’s issues and concerns. It is therefore important that the written report not only indicate whether the ANC supports or opposes the application, but that it also identify each issue and concern that led to the recommendation made.

If your ANC has not received a courtesy copy of the application from the Applicant, please notify us so we can assist you in obtaining a copy. If you have any questions, please do not hesitate to contact me at (202) 727-6311.

Sincerely,

A handwritten signature in cursive script that reads "Sharon S. Schellin".

Secretary to the Zoning Commission
