Chairman Hood:

On February 20, 2018, just before the record for ZC Case No. 16-23 closed, ANC3D Chairman Steve Gardner filed Exhibit 225. In this letter to you, Gardner purports to speak on behalf of ANC3D. He provided us no notice whatsoever that he planned to do so. We were afforded no opportunity for debate or discussion. We find this especially concerning given the time-frame in which Exhibit 225 was filed (i.e. immediately before the record closed).

Given the circumstances, and the timing of Gardner's actions, we respectfully request that we be allowed to file a short response *solely* to correct the record, and note that Chairman Gardner is not speaking on our behalf, and that his statements should not be interpreted as the position of the ANC. I have attached the letter to you that we hope you will accept into the record for Case No. 16-23. Thank you very much for your consideration.

Sincerely,
Commissioner Alma Gates,
Commissioner Holmes Whalen
Commissioner Sylvia Lucero
