RE: 4330 48th st NW DC Development

Chairman Hood:

My family and I are nearby residents of the proposed development. We are writing you in support of the Ladybird proposal for redevelopment at 4330 48th st. The lack of a convenient grocery store has been a detriment to the neighborhood and there has been a need for a very long time to fill this void. We are in support of the additional housing units that will add to diversity and vibrancy of the neighborhood. Further, the development supports a thriving retail scene as well as the walkability of the area.

I encourage the Zoning Commission to approve The Ladybird proposal.
