Greetings,

I am an AU Park resident and I am writing today in strong support of the Lady Bird Proposal. This development will be good for the neighborhood and environment by increasing walkability, limit driving, and provide access to a grocery store by foot.

The increased jobs for the community and city as well as opportunity for more people to move to AU Park are all positive parts of this plan.

I hope you will approve the plan in the near-term. My strong sense is the neighborhood is in favor of it.

Best,

Seth Brecher
