Dear DC Zoning Commission,

I support the Lady Bird Project, at 4330 48th Street, NW. I live at Upton and Fordham streets.

Our neighborhood would benefit tremendously from a new supermarket, new development, and new residents.

Please don't bow to neighborhood naysayers who fight this development.

The fight against Millie's as a restaurant nearby only underscores where folks who oppose good development fail to appreciate how much Millie's has created good food options, and a community gathering spot. I'm glad they did not prevail.

Please approve the Lady Bird Project.

Pat
