Dear Commissioners,

I live at 4723 Upton Street NW and as a Spring Valley homeowner, I am writing to express my support for the proposed Lady Bird development project.

I believe that the current project proposal, which would include a much-desired full-service grocery store, is far preferable to a matter-of-right project. It would be great to have a neighborhood grocery store that I can walk to with my two daughters.

I urge the Zoning Commission to approve Valor’s design-review application.

**Best regards,
Austen Holderness**
