Dear Chairman Hood and Members of the DC Zoning Commission:

I have reviewed the Valor development plans for the Superfresh site and fully support the project as proposed. As a long-time NW DC resident, the project addresses a major concern I have regarding the lack of new housing development in upper NW DC. Our neighborhood should welcome being part of the solution to housing supply in the city, and Valor's project is exemplary of a thoughtfully composed development.

Sincerely,
Alexander & Laurel Chanock
